3rd Annual "Because of Brandon" Ride Raises \$2,700

By Ken Irish, NE Regional Director

The Cuyuna Iron Range Riders hosted the 3rd Annual Because of Brandon Ride on July 24 to raise money for juvenile diabetes education. The ride is part of the Because Of Brandon fundraising event hosted through the Cuyuna Regional Medical Center. Brandon, a young man from Ironton, Minnesota, passed away in 2015 at the age of 27 from juvenile diabetes. Thirty-five people with 19 machines came out to support the cause at the Mississippi Northwoods Trail. Crow Wing County commissioner Doug Houge, Brandon's father, gave an update on the charity. Amy Hart, interim CEO at the hospital, also spoke. Several people that attended the ride were type one or two diabetic.

After the speakers, Andrew Suchla, club vice president, and Russ Heittola, grant manager, each lead a group on a guided ride through the scenic Mississippi Northwoods Trail. Afterwards, the group had sandwiches, chips, zucchini bars, brownies and beverages. This was the 5th annual fundraiser for the hospital and as of this year, the event has raised over \$250,000 dollars for area diabetic patients. The money raised supports educational events, travel expenses, and meals for families.

With on-line donations, business donations and a donation bucket that was passed around, the group ride raised \$2,700 dollars. So far, the club has raised \$4,900. The club was formed in 2004 and maintains the Mississippi Northwoods Trail and the Miller Black Bear Trail, and currently has 65 members. The Mississippi Northwoods Trail area is located 5 miles west of the city of Ironton on Highway 210. Ken Irish is president of the club and is a regional director for ATV Minnesota.
