Reminder To Clubs:

Don't Miss The July 30 Deadline For Your GIA Request For Reimbursement (RFR)

The Minnesota DNR fiscal year 2021 closed effective June 30, 2022.

Clubs that have Grant-In-Aid expenses related to fiscal year 2021 Grants (July 1, 2021 to June 30, 2022) need to send in their Request for Reimbursement (RFR) into their GIA sponsor before the end of July 2022 to ensure reimbursement.

Missing this deadline could result in your club paying for 100% of your Grant-in-Aid trail expenses incurred in fiscal year 2021.

As a reminder, clubs should try to send in reimbursement requests on a regular basis, every 1 to 3 months, or soon after a large expense. You, your sponsor and Minnesota DNR will have a much easier time processing the RFRs before it becomes a distant memory. Thanks!

Perry May, ATVMN State Director
